

Info and advice: Corona viral disease: Covid-19

Testing for corona-viral-disease will be done at Legevakta (the municipality emergency department). Those who suspect that they can be infected by this virus are asked to call in advance.

Please do not show up without an appointment.

For advice and appointment, call (+47) 116 117.

Who will be tested?

Persons with signs of acute respiratory tract infection who has been in an [area with ongoing transmission](#) in the last 14 days OR has been in contact with someone who has been diagnosed with corona-viral-disease (covid-19).
